6. ENTRY AND ADMINISTRATION

Each Federation must register the list of skiers it wishes to enter through the IWWF Event Management System (EMS) not later than 60 days before the scheduled start of the first competition day of the IWWF E&A Under 21 and Disabled Championships. Any Federation not meeting this requirement will not be allowed to compete until they have paid a fine of 200,00 € to the E&A. This does not include those skiers who may additionally qualify through the Weekly Ranking List.

An entry is considered complete when the Skier's name is registered in EMS and the full Entry Fee Payment has been received. For 2022 the entry fee payment must follow the process described below.

As far as possible the events that each skier will participate in, including their chosen ramp ratio, will be completed in EMS.

Official reserves should also be listed. There is no limit on the number of official reserves for each team and no entry fee is required for these skiers.

Any Federation not meeting this requirement will not be allowed to compete until the Federation pays a fine to the E&A of 10,00 € per skier per day after the 60 days deadline, for each skier not officially registered.

After the 60 days deadline a Federation may enter up to two more athletes than originally entered with no penalty, and for which the full entry fee is required as stated above. If more than two additional athletes are added after the 60 days deadline a fine of 50,00 € per additional athlete will be applied.

Any name change or event entered may be changed without penalty up to the 30 days before the scheduled start of the first competition day of the Under 21 and Disabled Championships E&A Waterski Championships.

The deadline for each Federation to declare, **through EMS**, the names of the members of its team, the events each will enter, the ratings of each skier, as well as the names of the official reserves is 30 days before the scheduled start of the first event of the World Championships

Any Federation not meeting this requirement will not be allowed to compete until the Federation pays a fine to the IWWF Representative at the Championships, of 10,00 € per skier per day after the 30 days deadline for each skier not officially entered.

- 1) The deadline to enter skiers who qualify under the Weekly Ranking List is 30 days before the championships.
- 2) The deadline to enter skiers who qualify under the Pro Ranking is 15 days before the championships.

If a skier is not registered on EMS prior to the 48 hours before the start of the first event, the Federation's skier's places in the draw shall be determined by the Chief Judge without reference to their qualifying scores.

2 days before the start of the first event the entry lists shall be closed at **noon (12:00)** and thereafter the order of competitors entered and paid will be finalized and posted.

The Scorer in consultation with the Chief Judge should post Preliminary Running Orders 7 days preceding the start of events with the orders clearly marked as "PRELIMINARY AND SUBJECT TO CHANGE". No change in this order is allowed after noon of the 2 days preceding the start of events except that a team representative may:

- 1) Withdraw a skier from the competition.
- 2) Replace an injured skier with a qualified official reserve from the same team with the authority of the Chief Judge and before the start of the first event, that is, before the first skier taking part in the first event has started,
- 3) The substitute skier shall start first in the series in which he is qualified unless the draw has not yet been completed.

Team or individual athletes not showing up: In the event a team or individual athletes (entered by their Federation), fail to show up for a competition their entry **fee will not be refunded**, unless a valid written excuse is received by 12 noon of the day before the start of the competition.

A valid excuse may include a sickness certificate or a certificated injury and should be considered and agreed as valid by the IWWF Representative at the Championships

DOPING - ATHLETE'S INFORMATION NOTICE

Processing Data in ADAMS

You are being asked to read the following Information Notice to ensure that you are aware that some personal information related to you will be used and processed by the Anti-Doping Organization through the anti-doping administration and management system ("ADAMS"), a web-based data management system developed and administered by the World Anti-Doping Agency ("WADA"). This Information Notice is intended to provide you with more information on ADAMS and how your personal information will be used in connection with ADAMS. For more information on ADAMS, consult the WADA website at www.wada-ama.org.

Purpose of ADAMS

ADAMS enables Anti-Doping Organizations ("ADOs"), such as the International Waterski & Wakeboard Federation and WADA to conduct harmonized, coordinated and effective anti-doping programs and to fulfil their respective responsibilities arising under the World Anti-Doping Code ("Code").

ADAMS may be used for scheduling In- and Out-of-Competition doping tests and managing related information, including Therapeutic Use Exemptions ("TUEs"), information related to athlete whereabouts, information about the results of anti-doping tests, managing the Athlete Biological Passport, and sanctions-related information relevant to individual athletes and other Persons.

WADA relies upon ADAMS to fulfil its responsibilities under the Code, including the performance of Out-of-Competition Testing, the review of TUEs, and its implication on anti-doping rule violation investigations and procedures.

Categories of Data Concerned

ADAMS contains the following categories of data:

- Your unique ADAMS profile consisting of data relating to your identity (name, nationality, date of birth, gender, sport(s) and discipline(s) you compete in, organizations and/or sports federations to which you belong, an indication of whether you compete at an international or national level, and whether you are considered to be a National or International-Level Athlete in accordance with the Rules of your International Federation and/or National Anti-Doping Organization);
- Data relating to your whereabouts (e.g., training, competitions, travel, periods spent at home, on vacation, or other regular or exceptional activities), including, each time you elect to use the "auto-location" reporting button on the ADAMS app, information about your mobile device's location;
- Data relating to test distribution planning (for the testing pools in which you are included);
- Data relating to your TUE, if any;
- Data relating to Doping Control (test distribution planning, Sample collection and handling, laboratory analysis, results management, hearings and appeals); and
- Data relating to the Athlete Biological Passport.

Some of the above data may constitute protected personal data under national data protection or privacy laws where you reside.

Responsibility

Your Custodian Organization, which is the Anti-Doping Organization that has primary responsibility for entering and managing your profile in ADAMS, has created your unique ADAMS profile. You can identify your Custodian Organization by viewing the “Security” tab of your athlete profile. In addition, WADA will access and process certain of your data in ADAMS (i.e., TUE data, laboratory results, Athlete Biological Passport, sanctions and whereabouts data) to fulfil its responsibilities under the Code. Your Custodian Organization and WADA are responsible for protecting your information in accordance with applicable laws and WADA’s International Standard for the Protection of Privacy and Personal Information. WADA, moreover, has implemented strict contractual controls governing the use of ADAMS by ADOs and others.

You will be responsible for ensuring that all information that you enter into the system or that is entered on your behalf by other parties, such as your agent or coach, is accurate. Where your Custodian Organization uses the ADAMS whereabouts module, you will be responsible for ensuring that the information you provide relating to your whereabouts is accurate and up-to-date. Please note that failure to provide and/or update accurate whereabouts information is likely to constitute an anti-doping rule violation, whether the failure is intentional or negligent.

You will be provided with a confidential password in order to enter your own data onto ADAMS and you will be responsible for keeping this password confidential at all times. Should you inadvertently disclose your password, you should contact your Custodian Organization immediately and a new password will be assigned to you.

Legal basis

Your Custodian Organization and WADA process your personal data relying on different legal bases, depending on the particular context in which it is processed. This includes processing in circumstances where it is permitted or required to do so under applicable anti-doping laws, including Swiss anti-doping and sports laws; where the processing is necessary to meet the substantial public interests served by eliminating doping in sport; where the processing is based on your consent, which may subsequently be withdrawn; and where necessary to meet legitimate interests. The Anti-Doping Organization that created your profile in ADAMS may be relying on these or alternative legal bases, including applicable anti-doping laws.

Disclosures

Part of your ADAMS profile created by your Custodian Organization may be shown to other ADOs using ADAMS to ensure that only a single athlete profile for you is created.

The Custodian Organization and WADA, where appropriate, may enable other ADOs and service providers to access certain of your information appearing in ADAMS to enable them to administer anti-doping programs. In particular, the Custodian Organization shall grant WADA the authorization to disclose your whereabouts information to other Anti-Doping Organizations so that such Anti-Doping Organizations are able to fulfil their obligations pursuant to the Code.

Where this occurs, such ADOs and service providers also must abide by strict contractual controls and will be responsible for protecting your information in accordance with applicable laws and WADA's International Standard for the Protection of Privacy and Personal Information.

These other ADOs may include, as relevant or appropriate: national Olympic committees, national Paralympic committees, major event organizations such as the International Olympic Committee and International Paralympic Committee, international federations and national anti-doping organizations. These ADOs are granted access on a need-to-know basis in accordance with the Code. By viewing the "Security" tab on your ADAMS profile, you can learn which organizations have access to your data.

WADA and the organizations listed above will not disclose any of your data other than to authorized persons within their organizations on a need-to-know basis; and each of the organizations accessing and using ADAMS may only do so in order to fulfil their responsibilities and obligations arising under the Code, which primarily involves the establishment of anti-doping programs and ensuring appropriate information sharing as provided for under the Code.

If you are found to have committed an anti-doping rule violation and receive a sanction as a result, the respective sanctions, your name, sport, Prohibited Substance or Method, and/or tribunal decision, may be publicly disclosed by your Custodian Organization and relevant ADOs, in accordance with the Code.

International transfers

Your data may be made available through ADAMS to persons or parties located outside the country where you reside. For example, your information will be shared with WADA, established in Switzerland and Canada, and may be shared with ADOs in countries where you may train or participate in sporting events. The data protection and privacy laws of these countries may not always be equivalent to those in your own country. In any case, ADOs have to comply with WADA's International Standard for the Protection of Privacy and Personal Information.

Such transfers are a necessary consequence of your participation in organized sport and facilitate the strong public interests served by eliminating doping in sport. In WADA's case, the transfers are made to two countries, Canada and Switzerland, that have been deemed to provide adequate protection by a number of regional and national data protection agencies, as well as the European Commission. In the event your information is transferred to another country, including Canada and Switzerland, it will be subject to the laws of that country and may be disclosed to or accessed by the courts, law enforcement and other public authorities in accordance with those laws.

Rights

You may have certain rights under applicable laws and under WADA's International Standard for the Protection of Privacy and Personal Information, including rights to access, rectification, restriction, opposition and deletion, and remedies with respect to any unlawful processing of your data. You also may have a right to lodge a complaint with a national regulator responsible for data protection in your country. To the extent you have questions or concerns about the processing of your data, you may consult with your Custodian Organization and/or WADA (privacy@wada-

ama.org), as appropriate.

Security

ADAMS is hosted in data centers in Canada. Strong technological, organizational and other security measures have been applied to ADAMS to maintain the security of the data entered onto ADAMS. In addition, WADA and ADOs have put in place internal and contractual guarantees to ensure that your data remain confidential and secure pursuant to their commitments under the International Standard for the Protection of Privacy and Personal Information.

Data retention

Your data will be retained in ADAMS for the duration and in accordance with the criteria set out in Annex A to WADA's International Standard for the Protection of Privacy and Personal Information. For instance, if your Custodian Organization uses ADAMS for TUEs and you are granted a TUE, the TUE approval forms will be stored electronically in ADAMS for a period of ten years following the approval date. The period of ten years represents the time period during which an action may be commenced for an anti-doping violation under the Code. Supporting medical and other TUE-related information is only retained for a period of 18 months from the end of the validity of the TUE. Data may be retained for a longer period where required by law or for the purpose of an anti-doping investigation or proceeding.

Right to object

You understand that if you object to the processing of your data, it still may be necessary for your Custodian Organization and WADA to continue to process (including retain) certain of your data to fulfil obligations and responsibilities arising under the Code, International Standards, and/or national anti-doping laws, notwithstanding your request; including for the purpose of investigations or proceedings related to a possible anti-doping rule violations; or to establish, exercise or defend against legal claims involving you, WADA and/or an ADO.

You understand that objecting to the processing, including disclosure, of your data may prevent you, your Custodian Organization, WADA or other ADOs from complying with the Code and relevant WADA International Standards, which could have consequences for you, such as an anti-doping violation under the Code or the inability to participate in sporting events.
